BioCop Prague Meeting

The BioCop Prague Meeting will be held on the 7th and 8th November 2005 at the Technical University - CVUT, The meeting venue can be found at Location E on Map 2 ([download](#)). The local host is Prof. Jana Hajslova (BioCop Consortium) and you can contact her directly on Tel: +420 602 833 424, Fax: + 420 220 443 185, E-Mail: Jana.Hajslova@vscht.cz

Important: During the semester the Institute of Chemical Technology does not have a free lecture room available for 80 people and in addition the Institutes conference facilities are booked out at that time. Based upon this Prof. Jana Hajslova had to consider an alternative meeting facility and has managed to find a newly renovated, technically equipped facility at the Technical University. The meeting venue will include coffee breaks, lunch and drinks organised by a local catering service. Unfortunately in order to organise this Prof. Jana Hajslova has no special budget within Biocop Project and has therefore asked if each participant would transfer €150 to Chalex Research not later than 24th October 2005 for their meeting expenses, where by Chalex Research will then pay off the total meeting costs for all participants (Chalex will provide confirmation of payment for "expenses associated with project meeting")

Hotel Accommodation and Location:

The Diplomat Hotel is the preferred choice for the BioCop Consortium as Prof. Jana Hajslova has negotiated rate of €85.00. The Hotel is located only 3 minutes walk from the meeting venue and only 20 minutes from the international airport when using the bus 119 (public transport) - the stop is in front of arrival lounge. The Hotel address and contact information can be found below and directions to the Hotel Diplomat can be found at Location C on Map 2 ([download](#)).
